Dear SALT Supporter:

St. Tammany Seniors and Law Enforcement Together (SALT) is hosting its Inaugural Golf Tournament on Monday, May 6, 2019 at Money Hill Golf & Country Club and needs your support. As you may know, SALT is a non-profit which provides valuable information to ensure the safety of seniors in St. Tammany Parish by presenting workshops for them throughout the year. These workshops include topics such as Elder Abuse, Residential Security and Safety, Personal Safety, Driving Safety, Identity Theft, Fire Safety, and Emergency Preparedness, among others. As a non-profit, SALT relies upon community support through individual donations and fund-raising events to conduct these important workshops which help protect our seniors.

Please support SALT by becoming a sponsor/donor or by registering to participate in our golf tournament. Sponsorship levels range from as little as \$150 for hole sponsors to \$1500 for cart or lunch sponsors, and include signage recognizing your organization. A copy of the golf tournament brochure is attached, as well as an In-Kind Donation Form for your tax deduction. Sponsorship donations, due by April 1, 2019, and golf tournament registrations, due by April 15, 2019, are payable by check to: St. Tammany SALT Council.

To learn more about SALT, please visit our website at stsalt.org. For additional information on sponsorship, donations or tournament registration, please contact Aaron Hebert, Tournament Chairperson, at 985-233-0476 or at info@STSALT.org.

We hope that you will consider supporting us in this endeavor and we look forward to seeing you at the tournament!

Sincerely,

A handwritten signature in blue ink that reads "Dave Kampen". The signature is written in a cursive style with a long, sweeping underline.
